change  
the **FUTURE**  
of this BRIGHT Child!

# Nele

a caring home for destitute children

## Backdrop

It is a common sight in Bengaluru to see children with torn clothes, scattered hair, eyes full of hope, carrying a dirty bag on their tiny shoulders, picking bits and pieces of rags from the streets. Robbed of the right to parent's love and affection, basic education and support from society, these children have no choice but to feed themselves on the leftover food thrown around by people. Apart from the rag-pickers there are also thousands of other children deprived of parental care and facing financial hardships who need homely atmosphere. It is no wonder that many of these children, devoid of basic schooling and cultural education, cultivate all the wrong habits and manners and end up as anti-social elements.

It is estimated that the city of Bengaluru alone has nearly a lakh of such children. It is the responsibility of any civilized society to take care of its people, especially children like these. Hindu Seva Prathishthana offers a ray of hope for these children in the form of NELE.

## About NELE

**NELE** (Shelter) a project of Hindu Seva Prathishthana was started way back in August 2000 to provide all possible care to destitute children. So far, 10 centres have been established, 6 in Bengaluru and one each at Mysore, Tumkur, Shimoga and Bagalkote. Over 260 boys and girls have found caring homes in these centers.

Facilities provided to the children at NELE include:

- ❖ Shelter, Food, Clothing and Health Care
- ❖ School based/cultural education & social awareness
- ❖ Sports, Music, Fine Arts, Sanskrit and Yoga
- ❖ Awareness on health and hygiene

## Accomplishments

- ❖ Many children have passed the exams in first class with a few of them scoring over 80% marks.
- ❖ Children from NELE have won prizes in Music, Drawing, Athletics, Kabaddi and Kho-Kho at district level competitions.
- ❖ Nele children were invited to present a programme in the prestigious Dussera festival at Mysore and their performances were very much appreciated by all.

- ❖ 7 of the Nele children are studying in colleges now.
- ❖ Children from NELE have become role models to others in their schools.

## NELE — Transforming the neighborhood

- ❖ A unique program called 'Makkala Mantapa' provides a platform to NELE children and children from both government and private schools to compete in various sports and cultural events, an attempt to bring destitute children to main stream and provide opportunities to them to compete with children in the society. Over 5000 children took part in the celebrations in 2009.
- ❖ Personality development camps have been organized for underprivileged children and all the programs were conducted by children from NELE, to make them cultivate Leadership Qualities.
- ❖ Raksha Bandhan, Dr. Ambedkar Jayanti, Srikrishna Janmashtami, Independence Day and many other festivals were celebrated in a way that brought harmony in the neighborhood.
- ❖ 'Maatru Mandali' for the women and 'Balagokula' for children impart value education for the families around NELE.

## Future plans

- ❖ A vocational training centre will be started at Laggere, Bengaluru, for school dropouts.
- ❖ Starting an 'Open Shelter' for street children.
- ❖ Starting NELE centres in other towns of Karnataka.
- ❖ Starting counseling centres in NELE premises.

## How you can get involved with NELE

- Be their friend, philosopher and guide
- Utilize your free time with the children at Nele; play games, read / tell stories and enjoy your time spent with them.
- Celebrate Birthdays, Anniversaries and other special occasions with the children of Nele, or make donations on that day.
- Be a part of 'Nele Balaga' (well wishers-Circle) and contribute for its all-round development.
- You can donate old news papers.
- You are welcome to make other contributions in cash or kind (utility articles, building etc.)
- You can sponsor one time meal for Rs.1,000/- in one NELE.
- You can sponsor one day's expenses of one NELE for Rs.2,500/-
- You can sponsor one month's expenses of one NELE for Rs.75,000/-
